The Garden of Lelonek's Delights (2011)

The altar of Diana Lelonek: the middle part shows a goddess in ecstasy, the right part is Lelonek's erotic paradise, the left one shows Diana Lelonek liberating the world with her assistants: Teresa Orłowski and a big mantis. It's an untoward comment about my own sexuality, exploration of happiness, pleasure and love.

Welcome hope, you who enter here
Leave all your clothes before coming in, you who enter here
Lead yourselves to temptation
Redeem yourselves with your amusement
Gracious your goddess is
Forgiving your goddess is
loves everyone
keeps everyone in her heart
deigns to endow everyone with her great love.

Oh my Goddess of Love give me more pleasure
Oh my Star please stay with me
Oh my Queen I love you forever
