Psychosis (2010)

It wasn't for long, I wasn't there long.
But drinking bitter black coffee
I catch that medicinal smell in a cloud of ancient tobacco
And something touches me in that still place and a wound from two years ago opens like a cadaver
And a long buried shame roars its foul decaying grief
Hatch opens, stark light
A table two chairs and no windows
Here I am
And there is my body
Dancing on glass
In accident time where there are no accidents
