

Poncz Magazine

ponczmagazine.com

Poncz magazine has been born from the passion for photography with all its various visions and ideas from all around the world. What interests us most in a photograph is the lifestyle, feelings and emotions it presents.

Poncz is a non-profit magazine which gathers photos from both professional and amateur photographers.

Curators: Maja Dąbrowska, Piotr Winiewicz

Artists:

[Kristoffer Axén](#) At Sea At Night & How We Evolved From Water

[Asger Carlsen](#) Wrong
