

PORTFOLIO REVIEW 2011

Portfolio Reviews are actually the most important form of promotion, which enables photographers individual and direct meetings with curators, critics, journalists, publishers of books and magazines and owners of galleries. During portfolio reviews participants have chance to present their pictures to experts and to get tips concerning vocational, artistic development, realised projects or elaborating good portfolio. Each of this conversations gives a chance for cooperation with reviewer which will result in individual exhibition, publishing pictures in photo-magazine, invitation to participate in international project or one of festivals.

Who can take part? Portfolio review during Fotofestiwal aims in gaining students and graduates of photography, professional photographers or those who already have at least one exhibition or publishment done. We invite to take part in the review artist chosen by jury of Fotofestiwal among all of the applications.

This year the portfolio review will be on: **6.05 (Friday)** and **8.05 (Sunday)**
