10TH FOTOFESTIWAL'S BIRTHDAY

Fotofestiwal is already ten years old! We would like to invite you to our birthday party. Let us meet on **7. May in the Book Art Museum** at 24 Tymienieckiego Street.

We begin at 9:00 p.m. with an opening of the exhibition of Grupa Poza from Łódź, with whom we created the first Fotofestiwal in 2001. The Grand Prix programme presentation will be another important part of the evening. During the slide show accompanied by live music, we will watch works of 11 artists - [more](#)info. The [Blisko Pola](#) band will prepare the music for the show. What is more, Ked Olszewski will present his new installation from the *Trinkets* series.
